Mike Wilson named 2008 Employee of the Year

LAGRANGE—Mike Wilson was named Design Group / Nimlok “Employee of the Year” for 2008 and is pictured here receiving the award from Tricia Dimon, Design Group President.

With an 80% increase in sales over the previous year, the award recognizes Mr. Wilson’s achievement as well as his overall commitment to the company.

“Mike has been with us for seven years now and he’s committed to everything he’s involved in,” said Tricia Dimon. “Whether it’s the boy scouts, his church, his family or his job, Mike always gives 110%. Our entire group benefits from him being part of our team,” Ms. Dimon continued.

“I am humbled and honored to receive this award,” said Mr. Wilson. “I truly enjoy work at Design Group / Nimlok and know without a doubt that this is what I am supposed to be doing. I love working with the vast array of clients that look to us to assist in their trade show and exhibit efforts,” he concluded.

The award was presented at the company Christmas party where families were in attendance. The Employee of the Year Award for Design Group / Nimlok was first presented in 2007 to Jim Hines, multimedia and graphic design specialist.
